Dear Mike,

When the storm in 2020 destroyed most of our property, we were not equipped to handle such a large claim and we cannot thank you and The Alex N. Sill enough for the work you did in handling our claim.

Your team was insightful, professional, and passionate about helping a community theater and on behalf of the entire community we would like to thank you for the work you and your team have done.

I am so grateful that we found a trusted partner on this project and I wouldn't hesitate to be a reference or recommendation for any future prospects.

Sincerely,

Chris Parthemore
