Mr. Michael Perlmutter
Chief Executive Officer
Alex N. Sill Company
6000 Lombardo Center, Suite 600
Cleveland, Ohio 44131

Dear Mr. Perlmutter,

In September of 2021, we experienced a fire that badly damaged the building and equipment that contained our annealing department. Because we had experience using Sill for a previous loss, it was an easy decision to use them again to represent us in this claim process. I am very happy that we contracted your company to manage our claim.

We have a great team of employees that understand our business and how to operate it successfully, but managing a fairly large and complex insurance claim is not one of our areas of expertise. The knowledge and understanding of our insurance policy and how to manage the claim process was handled by the team of professionals led by Mike Hickle. Allowing Sill to manage our claim allowed us to concentrate on our core business and recovery after the fire.

Sincerely,

John Gaydosh
President

Approximate Loss: \$2,200,000
